

Opportunities for Elementary Aged Students (FirstKids)

Our goal with FirstKids is to create community by focusing on relationships. By the time children are in the fourth grade, they have a permanent “Tribe” of people (leaders and peers) with whom they process life from a faith perspective. The group is permanent, but what the group does changes as kids age so that they become lifelong disciples of Jesus Christ for the transformation of the world. This school year, it looks like this:
